

Community Life Ministry Report 9-8-2021

Meeting was called to order September 8 at 5 pm

Discussion on Jubilee Sunday and action items that community life ministry will be doing on that day.

Will be finishing up tying shoes and assisting in the kitchen with grilling of brats and hamburgers and will have chips and soda available for attendees. Additional action of community life will be tying of the shoes this Wednesday September 15 in lieu of a Wednesday service. Discussions of trunk or treat dates that have been confirmed and will look at doing serving hotdogs but might limit indoor gatherings based on COVID awareness reports and just serve outside for trunk or treat. Discuss the possibility of a raffle of a quilt for generating funds for the spring fling next year. Need to check on if we need a license for that or not. Discussed the service project of operation Christmas child with the shoeboxes and have determined that we will table that project but allow others if they wish to take on that to do so as we will focus on love baskets and the mitten tree as they will be locally distributed to families within our community. Distributed flyers for Jubilee to be posted around the community and put in the backpacks at the food shelf. Determine next meeting to prepare for trunk or treat Wednesday October 6 during serving of the food

Prior to christen education.

Mtg adjourned after the Lord's Prayer.
